

Assassin's Creed Shadows

Release Date: March 20, 2025

Platforms: PS5, Xbox Series X|S, PC

Summary: Set in feudal Japan, Assassin's Creed Shadows introduces a new dual-protagonist system, allowing players to switch between a shinobi and a samurai. This highly anticipated entry in the Assassin's Creed franchise promises a rich historical setting, stealth-action gameplay, and a compelling narrative exploring the clash of cultures and ideologies in 16th-century Japan. Expect stunning visuals and a vast open world to explore.
