

Kingdom Come: Deliverance 2

Release Date: February 4, 2025

Platforms: PS5, Xbox Series X|S, PC

Summary: The highly anticipated sequel to the critically acclaimed Kingdom Come: Deliverance, this game continues the immersive, story-driven RPG experience set in medieval Bohemia. Players will once again step into the shoes of Henry, a blacksmith's son, as he navigates a brutal and historically accurate world. Expect deep combat mechanics, branching narratives, and a vast open world to explore, all rendered with stunning realism.
