

# Monster Hunter Wilds

Release Date: February 28, 2025

Platforms: PS5, Xbox Series X|S, PC

Summary: The next major title in the Monster Hunter series, Wilds promises to take players on an expansive journey through untamed lands filled with colossal beasts. Building on the success of Monster Hunter World and Rise, this game is expected to introduce new hunting mechanics, a more dynamic ecosystem, and seamless transitions between areas. Prepare for thrilling hunts, strategic combat, and the satisfaction of crafting powerful gear from your fallen foes.
