

# The Outer Worlds 2

Release Date: October 29, 2025

Platforms: PS5, Xbox Series X|S, PC

Summary: The sequel to the critically acclaimed sci-fi RPG, The Outer Worlds 2 promises more of the dark humor, branching narratives, and player choice that fans loved. Set in a new star system with new characters and factions, players will once again navigate a corporate-controlled galaxy, making decisions that impact the fate of the Halcyon colony. Expect expanded customization options, new companions, and even more satirical commentary on corporate greed.
